COMMUNICATION

Sir:

The applicants have received the above-referenced granted patent which indicates a Patent Term Adjustment Under 35 U.S.C. 154(b) of 640 days. Applicants believe that the subject patent should be eligible for only 633 days of patent term adjustment. The Applicants filed an Amendment Under 37 CFR 1.111 on December 22, 2003, which was not received in the Patent Office until December 29, 2003. A copy of the return receipt postcard is attached which indicates the correct date of receipt by the Patent Office. The PAIR record incorrectly indicates that the Amendment was received on December 22, 2003.
